The Clumsiest Leprechaun of All

6 3 4

Chapter 1 by Greta Elizondo

Once upon a time there was a leprechaun who was named Bill. He was the clumsiest leprechaun of all leprechauns.

He was supposed to be getting ready for St. Patrick's day but he had a problem. He was stuck in a quick sand puddle!

What was he supposed to do? St. Patrick's day was only 2 days away!

Chapter 2 by intellikat

How a quicksand puddle had appeared in Galway was anyone's guess, but Bill MacCarthy had more important things to think of at present... namely, how to escape this blasted quicksand!

Was it clumsiness that had led him into this predicament? Perhaps. Bill had always been a bit absent-minded when out walking, and perhaps if he had kept his wits about him he would not have fallen into the puddle, but again, this was not the first thing on his mind now.

Bill reached into his pocket for his Nokia mobile phone.
